0: 08:16   Outstanding Young Educator award: Adam Bellow, NYC, NY

0: 09:48   Emerging Leders Class of 2011: Cyrstal Beach, Caroline Gaebig, Josh

0: 10:04 Stumpenhorst, Ashley Talley, Merry Willis.

0: 10:16   Kay L. Bitter Vision Award: Amanda Marrinan, Brisbane, Australia

0: 12:41 Peggy Sheehy is "That Kid."

0: 12:50   Story time from her heart.

0: 13:53   Undirected energy of the undirected student.

0: 15:36   Teaching was not relevant to her world.

0: 16:13   Arts took a back seat in school, so her interests were not met.

0: 17:17   She went into education to awaken the kids dreams.

0: 17:55   2006 she pioneered the first school in a virtual world.

0: 18:08   Took a year to get the resources together.

0: 18:33   World of Warcraft in schools

0: 21:04   Challenge: take a stand where you are and be that one bright light that

0: 21:17 that one child sees. Be fearless, be courageous, reclaim your dream. When

0: 21:59 we became teachers, we took a sacred promise.

0: 22:42 Gaming in the classroom: Mario Armstrong

0: 23:58   You can get playtime reports in World of Warcraft.

0: 24:17   Alice: alice.org is the website.

0: 24:30   Teach kids programming. Teaches math in a creative way.

0: 25:28   The Jason Project

0: 27:21 Crack the Code: Clue 1: Map of . . . Philly?

0: 30:29   Cllue 2: binary code

0: 30:38   Clue 3: flow chart?

0: 31:04   Clue 4: DNA

0: 31:16   Clue 5: Programming language

0: 31:34   Clue 6: QR code

0: 31:51   Clue 7: Bar code

0: 32:31   Answer: Code

0: 32:50   Remember that for later ....

0: 32:55 Spies are sometimes left on their own.

Don Knezek: ISTE CEO

Awards presentation:

Greenwood VA.

Public Policy Trendsetter: Michael Walker

Adam Bellow: Edutecher.net

Unlocking Potential in the Digital Realm.

We went into education to make a difference in the world.

1. Fight in what you believe in.

2. Form a PLN or join a PLN.

3. Be Resilient: don't give up on technology right away.

4. Stay lifelong learners, be curious be thirsty.

Mario's followup

Search.twitter.com

storify: putting together a story with resources that already exist on the
net.

Meetup: places to get together with similar people.

Crack the Code:

Facilities Orientation

(video): a short walkthrough the beginning of the conference book.

Important to civilizations and religions for thousands of years:

1. You can walk on them in southern California
2. They may seem small, bu their mass is larger than they appear.
3. You may be a trekkie if you dream about them.
4. You get thesse when you level up.
5. If you're the best in the class, you may get a gold one.
6. Look up at night and you may see a few.

Answer: Star

Deputy CEO of ISTE: Leslie Conery

What and how to include in a curriculum.

Julie Lindsay: Flat Classroom Project
    A Global Journey
        International teaching using technology.
        Takeaways:
            1. Be open to alternatatives
            2. It's cool to be "flat."
            3. If you aren't doing it, it's not happening.
            4. Experience meaningful connection and communication.
        Globalization & Collaboration
            1. Skype in the Classroom: education.skype.com
                Keys to success:
                    1. Simple objective
                    2. Test the connectivity
            2. Doodle & Timeridge
            3. Twitpoll
Inductee Membership Orientation
1• 00:03 Crack the Code time again:
1• 00:32   The binaryfode for this item is 01110101
1• 00:44   1. Clue on1: Long hair sheep (Ewe)
